Dear Jeff,

Thank you for your recent \$20,000.00 donation to Sunnybrook's glioblastoma research initiatives.

Your generosity will have a real and direct impact on the lives of our patients. By supporting our efforts you'll be helping patients with the most common and aggressive cancerous primary brain tumours.

The tax receipt for your contribution is attached. From all of us at Sunnybrook, and the patients whose lives you change every day, thank you.

Sincerely,
